“ My son, Jeff, came home from his second tour of duty in Afghanistan last year. I asked Jeff what he wanted to do now that he was back home on American soil. Jeff wanted to go striper fishing with Nicky. We went out Thanksgiving weekend last year. Jeff and I will always remember that trip with our good friend Nick.

“ Dear Vetro family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ Russ and I miss you dearly. Loved walking
into Trailerama and you always hitting on me
and asking when I was leaving Russ. Your
sense a humor always had people laughing.
You always were willing to help anyone out.
Your an amazing guy. I could talk to you about anything and you
understood me. ♡ To the family of Nick, he is watching over every
single one of you and my thoughts and prayers are with you all. I
know my dad Rick will also miss him dearly. He was like a brother to
