“ Carol and family, I am so sorry for your loss. Your Dad was a wonderful man. I remember Carol introducing me to her parents way back in 1983. Such a beautiful family with lots of love. May you find peace and strength during this difficult time.

“ Sending our heart felt condolences to Mr. Fowlers family. Carol has shared so many wonderful stories about her dad. I could see the deep love Carol has for him in every story shared, always looking forward to her NJ trips, fishing, gardening and vacationing with her and your family. He was also always willing to give Carol advice on how to help me fix things! I have fond memories of him visiting Madrid Ave. He was certainly the rock of your family and will be deeply missed by each of you. May his light live on in each of your hearts and May you always feel his loving presence. May you find comfort in the arms of each other. Prayers for healing and strength in the coming days, weeks and months. Sending love, hugs and our deepest condolences. In sympathy and love, Jess and Cole
