“ *Aunt Olga was a wonderful aunt! Although I don't live close by and get to see her much, I had many good conversations with her, which I will miss. I'm glad I got to talk to her when she first went in the hospital. I will miss her! RIP Aunt Olga! Jeanie##imported-begin##Jeanie Hegyi##imported-end##*

“ *Aunt Olga was a wonderful woman and a great aunt! I remember when she would take me on vacations with her. I am glad that I got to see her the day that she died. Oh, to live to be almost 93! I will miss her!*
