“ *I remember my Uncle O and such fond memories of summer visits to see all of my NJ family as a child. I wish life would have afforded us the opportunity to visit more often. God bless you all. Bobbie and Aunt Dot, my heart goes out to you both especially. Love you both so much. Rest in Peace Uncle O. xo . .*

“ Will always remember visits to Mt. Holly as a child. Visiting my Grandparents and my Aunt Dot and Uncle "O" and my cousins there. They were so good to us! Would remember Uncle "O" working in his basement making leather and wood projects...always going back to Florida with a special little thing he had made. Even after growing up and going back to visit not that many years ago...Uncle O was carving walking canes and he didn't let me leave without one. Thank you Uncle O! Have it in a special place in our antique hall tree. Love you all NJ family!

Lucky that I had a nice visit with my Aunt and Uncle with girlfriend and my two grandsons after a trip to NYC to see my Yanks. Aunt Dot and Uncle O made us feel at home and yes my grandson got a walking stick as well. He will be missed.

He was my cousin. Lived with us for a while before and after he went in the Service. I think I may still have a photo of him as a young man. Lost touch when my family moved to CA.
