“ *Linda & family, I am deeply sorry for your loss. It was an honor to have Pat as a friend. I'll always remember the fun times we had, how he always made me laugh and the dancing we did in our younger days. You will be sorely missed and I will keep my memories of you with me forever. May you Rest In Peace.*

“ My favorite brother in law. I'll think of you every time I watch Big Bang Theory and use my water pick (private joke),

You are too good of a person to have struggled any longer. Although gone too soon, who ever knows God's plan. Thank you for my nephew and nieces and many memories which I'll cherish.

“ Our connection to Pat spans over 34 years. Who knew working with Pete in the late '80s would have been the start of a lifelong friendship between Pat and Pete and further extended into our 2 families. We have shared so many life events- weddings, births, holidays, celebrations and Pat was always a huge part of all of those events. The times I cherish most were hanging out at one of our houses and simply talking and laughing. Your big heart, amazing personality and genuine smile were incredible. You made all of us feel welcome and loved! You have touched so many lives and still cannot believe this is real. Sending strength and love to Linda, Vincent, Tina, Danielle and Tracy. You will always hold a special place in all our hearts.

“ Pat was my boss and the best one ever. He was so smart and kind and really more of a friend. After working together we stayed in touch and met every few months for lunch. I was so looking forward to seeing him and getting a big hug from my friend. I really thought he was going to be ok.

“ I met Pat by accident. We were at the Deck's rental house the eve of their daughters marriage to Michael F Adornetto'. I thought my husband was next to me. I turned to introduce him to someone but it wasn't my husband. It was Pat and he gave me a hug like we were old friends! I knew at that moment what a tremendous guy he was.

“ *We first met Pat when we bought our house in Lumberton NJ. We both had new houses and wanted to paint. Pat didn't even hesitate to come over and help us and in turn we would go over to paint his house with him. I remember after a party going over in the morning and we would have meatballs for breakfast! Yes meatballs. They were always left over. If you knew Pat you would know his presence filled a room! He was funny, smart and the most caring person I know. He always hugged you hello and goodbye. He was very faithful to his religious beliefs and attended church every week. He never sat still! If he wasn't cooking he was caring for his dogs or making sure you had something to eat or drink. He loved Linda and the kids very much and was very proud of all of them. He will truly be missed. We love you Pat! ❤️*

“ *Mr. A was always so welcoming anytime we came to the house. I remember going to some chemo treatments in Philly with him and Danielle. He might as well have been the mayor. I remember leaving the appointment painfully full of Philly pretzels and chocolate yet he still insisted we went to a diner to eat a big meal. My stomachache switched from a discomfort of full to a discomfort from laughing. His spirit and positivity was unmatched. My heart is heavy to think we will no longer share his physical presence but if anyone had a one way ticket straight to Heaven, I know it's him. I am thinking of the entire family. Much love. The sun shined just a little brighter in Hawaii today knowing he helped up above.*
