We have been blessed beyond measure with an everlasting friendship we shared with Pat and Dave. May God grant you His love and peace forever...

“ We have so many keepsakes in our home that remind us of Pat and we will always cherish the memories we have of our time spent in America.

Pat and Dave opened up a whole new world to us and allowed us to share their home unconditionally. I recall adventures to their cabin, our first experience of a shopping mall, discovering Lenox, McDonalds and ice cream parlours as well as corn on the cob. Buying endless supplies of needlework projects and acquiring tasty recipes that Pat conjured up with precision and ease.

Thank you for your friendship and allowing us to be part of your life
RIP Pat.

Our hearts were broken today when we learned of Pat's passing. We will remember her as such a lovely graceful woman, always with her gorgeous hats on in Church. Pat and Dave always made time to talk about family, friends, adventures. A truly beautiful couple. We are only so sorry we couldn't have been there for both Pat and Dave. May our dear Lord provide you with strength and peace, at this very difficult time, Dave. May you be surrounded with the love of our dear Lord and your family and friends. Our sincere condolences.

My deepest sympathy to the family. Mrs. Fletcher was a great teacher and managed to teach me something about math no matter how hard I tried not to listen. Thank you and godspeed
