Please accept our condolences and deepest sympathy from her coworkers at Medford Leas. Patty was one of the most kind and compassionate nurses to our residents and supportive to her coworkers. “ Patti was loving, caring and compassionate person, whose friendship I will miss and forever cherish. Condolences to the entire family who have welcomed our family as yours. Our beginnings may have been unconventional but none the less real and everlasting. Patti tell Beckers we miss her and watch over her and you both have the important job of watching over us. Love you and will miss your infectious smile.
