“ *My condolences to her family. I have many fond memories of Pat and her husband Paul as I grew up with Paul in Rancocas and introduced them. Their first date was a double date with my girlfriend and I. Pat will be missed by all at our high school luncheons. I will miss our reminiscing and her pleasant manner. God bless. Frank Lamb*

“ *I became friends with Pat when I worked in the nursery at Memorial Hospital in the late 1980's. She was an easy person to get to know and always willing to help when she could. I hadn't seen Pat for quite a few years and then reconnected with her when I saw her where my mom now lives (Masonic Village in Burlington). I am so glad that I “ popped in” to visit her. Sweet friend ❤️🙏🙏. Rest In Peace Pat.*

“ Pat and Paul were our next-door neighbors for many years, and we couldn't ask for nicer ones. I will always remember Pat's generosity and hospitality at Christmas, when she would invite my girls over and allow them each to choose an animal from her miniature glass nativity scene. Later, she gifted them the nativity, angels, shepherds/sheep and Wise Men. We always think of her when we display the nativity (and all of their collected animals!) and the girls cherish this memory of her. We are all very sad to hear of her passing and will treasure the memories of this sweet woman! Our thoughts and prayers are with her family at this time. Much love, Mia, John, Kayla and Tara Baker

I worked with Paul at PTHS. We became good friends during that time. When I had my first child he told Pat to take good care of me. She was a wonderful nurse and Paul adored her. I am sending my love to her family and friends. Sherry Scull
