I always loved the saying " If friends were flowers i would pick you"! I did and i know it will be a long time before i stop picking up the phone to call you. You have such a big piece of my heart and we had so many memories i couldn't begin to pick. Every one of them will be with me forever, as you will in my heart. Big Hugs, lots of love and please say Hi and kiss my Mommy.  
My Patty P.
