“ We're sorry for your loss of your Son/Brother. Certainly Patrick was greeted by Jesus, with His arms outstretched, welcoming Patrick home once again. He is totally enjoying being surrounded by all those who died before him, including his Father. We wanted to share these 2 poems to help ease your grief:

"In Loving Memory:

Home At Last!

I'm home at last my loved ones,

With my Father in the sky;

He called my name so sweetly,

He called me home on high.

My time on earth was precious,

Truly blessed with all your love;

Those times are now your memories,

As I watch you from above.

No longer do I walk in pain,

Or feel such agony;

My weakness has become my strength,

Home at last, I'm finally free.

I've served my time and paid my dues,

According to God's plan;

Eternal peace He's granted me,

Now I'm sitting at God's right hand.

Don't cry for me in sorrow,

For my life is better now;

My frail body has been restored,

I'm riding on the clouds.

You're always in my heart,

With good times that have passed;

But praise the Lord in Heaven,

I'm finally home at last!"

AND

"The Other Side

I'm over on the other side

*Where life and death softly divide...
Left my skin and bones behind
Now I'm over on the other side.*

*Can you feel me there with you?
My breath is gone but I'm not through.
I loved you then and I still do
from over on the other side.*

*I can fly. Really fly.
Below the earth...all through the sky...
Tell them all I did not die.
I'm just over on the other side.*

*It's good here on the other side.
The sweetest songs...the bluest skies....
Thank you for the tears you cried
But it's good here on the other side.*

I can fly. Really fly.

*Below the earth...all through the sky.
Tell them all I did not die.
I'm just over on the other side*

*The world is smaller than a needle's eye.
Where life and death softly divide...
When you leave your skin and bones behind
I'll be waiting on the other side.*

I can fly. Really fly.

*Below the earth ... all through the sky.
Go tell them all I did not die.
I'm just over on the other side."*

*“ Dear Rocky and Family,
I'm so sorry for your lost. Patrick was a loving and caring man. I used to work with him at Bellia. We continued our friendship through the years even though neither of us work there anymore. I enjoyed him and his passion for music and art. He will be missed by myself and many.
