“ From the time I entered Lenape HS, Mr. Moore was a friend who always made time to say Hello and chat. Later in life Paul was a fellow firefighter and EMT who always “answered the call” of his fellow FF’s and EMT’s and the citizens of Mt. Laurel. He was a good man and I am proud to have call him my friend. Rest in Peace Brother. Words can not express my feelings of loss to Sharon and the Moore family, loving prayers to all of you.

“ Paul gave selfishly to the Fleetwood Football Program. I would rely upon him quite often and he was always there. He helped in making the Program as successful as it was. He will be missed but not forgotten! RIP Paul!

“ Paul and Sharon were my first steady overnight duty crew partners when I started at MT. Laurel EMS. I learned a lot from the two of them. Paul was always the transportation person he drove the ambulance and always figured out what equipment was needed to get someone out of their house. I learned to always anticipate what your partner would need. I always enjoyed spending time and talking with Paul during and after calls.

“ *Would always share a great conversation, especially when the pagers went off when in the halls at Lenape, proudly wearing his Masonville Fire / EMS jacket. One of the reasons I pursued becoming a firefighter and EMT. He always had a smile and positive outlook. Rest now my friend.*
