

Philip "Phil" Freeman

July 17, 1949 - May 1, 2020

Philip "Phil" Freeman, 70, passed away on Friday, May 1, 2020 after a short battle with cancer. Phil proudly served his country first as an active duty soldier in the United States Marine Corps, and then as a soldier in the New Jersey Army National Guard until his retirement at which time his focus turned to spending more time with his children and grandchildren (and drinking copious amounts of black coffee).

A strong supporter of the New Jersey Challenge Youth Program, Phil served as part of their maintenance staff from 1994 until 2009. He was also a huge fan of football (GO SEAHAWKS), Jeopardy, and all things History Channel.

Phil is survived by his children Krystal Rinyu, Jennifer Martinez, her husband Jose, Philip Freeman, Kevin Freeman, and Debra Freeman, as well as eight grandchildren that he adored. Phil is also affectionately remembered by numerous friends and extended family. He was predeceased in 2014 by his loving wife Donna, and in 2019 by his son Donald.

At this time, arrangements are being kept private. The family thanks you for your consideration in this matter. Due to cemetery restrictions on flowers, if you are so inclined, please make memorial contributions to either of the following charities: Code of Vets at <http://www.codeofvets.com> OR St.Jude at www.stjude.org.
