“ *Rachel was a special person. We have enjoyed sharing families with her and will miss her a lot. We will never forget our vacations together and the numerous family parties. God needed another angel in heaven so he called her home. Sorrow is shared with all her family.*

“ *Rachael has and will always hold a special place in my heart. She always treated me with kindness and love. I miss her so very much. My last memory of her was her saying to me when I took her light up roses to the hospital. "They dont smell do they?" No Mom I said. They light up. So I showed her. Then she laughs even though I know she was hurting. Love you Mom Rachael!*
