

Rachel Lee Nixon

September 20, 1970 - July 11, 2018

Rachel L Nixon, of Mount Holly, NJ, passed away suddenly and unexpectedly at her home on July 11th, 2018. Although we all mourn our loss we have blessed assurance that it is well with her soul. She was 47.

Rachel was predeceased by her father Dennis F. Nixon and her beloved son Michael Anthony, our Michael-Michael Motorcycle

Left to love & cherish her memory is her first born and beloved son Blane Angelo, our "Blane-Blane Aero plane"; her mom & dad, Jack & Julie Rockhill, who will miss their petite little twister & firecracker, her sarcasm, her bold laugh, her big beautiful blue eyes, her free spirit, loving heart and her appreciation of her family.

Her siblings who are living with the void that this brings into their lives are Hilary (Al), Abby (Vince) and Elijah (Kim). And the man that shared her life for the last ten years, Matt Haines...plus many others that are grieving, her aunts, uncles, nieces, nephews, cousins and friends.

A Celebration of Rachel's Life will be held on Saturday, August 4th at 11AM at The First Baptist Church of Mount Holly, Woodlane Road, Eastampton NJ with light refreshment to follow. Please, in place of flowers a donation to Delmarva Teen challenge will make such a difference in someone's life. Thank you for

the out pouring of love to our family.

“ *One of the memories that I have with my niece Rachel , is , she was dating Michael Briglia , Who they had two sons with, later on , and I worked for Mike and his dad at the gas station,1990, so we took a trip to the Burlington Center mall in Mikes 1990 5.0 Mustang ,I sat in the back , I'm not sure why we went , but we got to the mall and all of a sudden we had to leave , I didn't know why, and Rachel had said Michael doesn't feel good, ... later on , Rachel told me the truth Mike had sharted 🤢😂😂😂💩❤️🕊️ and had to go to change his pants 🤢😂 we laughed our asses off, but that was always my Rachel , what you see is what you get , no secrets, I am going to tell it like it is. Forever and always will be in my heart ❤️. love you*

“ Our deepest sympathies Julie and Jack during this time of sorrow. Rachel was a firecracker and she always had a smile on her face. We were so saddened when we learned of her passing. May your memories of Rachel comfort you both during this time.

“ My heartfelt condolences are sent to the entire family, but especially her parents. The loss of a child is the hardest to manage. Hold strong to your faith that she is in a better place. Feel free to reach out to other parents, like me, who have walked in your shoes. Most important, take time to take care of yourself, so you have the strength to get through this. Sending supportive virtual hugs.

“ When someone you love becomes a memory, the memory becomes a treasure. Words fall short of expressing my sorrow for your loss. May the love and mercy of our Lord be bestowed upon you and your family during this unfortunate time. My most sincere condolences. RIP Rachel - Your free, fun-loving spirit will surely be missed.
