“ Dear Warmkessel family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ Dear Kathy ,,, I am so sorry to learn of the loss of your dear husband Ray..... As we walked the Burlington City neighborhood "Sarge" (as my husky "Stohli"and I always called him) Sarge always took the time to say hi and throw one of us a biscuit or two. A wonderful man I enjoyed seeing and oh yeah ... my "Stohli" loved to see him too. I wish you comfort during this very tough time and know that Ray was very special in his very special way to the people he met. God Bless Him and may he rest in peace and watch over you and the pets that he loved so much. signed his friend, Denise Procaccini.

“ Ray was the best neighbor and friend a person could ask for. He was very kind and extremely generous. If you needed it, Ray would give it to you. He was also very generous with his time. Without hesitation, if you needed his assistance with a household project, Ray was right there to help. He even gave me his old lawnmower the first time I met him 22 years ago! (That old lawnmower lasted me about 5 years.)

Ray was very kind to all of the children and dogs in the neighborhood. Every dog knew that when they saw Mr. Ray coming their way, they were going to get a treat! Ray also had a great sense of humor and an infectious laugh. And boy could he bake. Ray made the best pineapple upside-down cake I have ever eaten!

Ray will certainly be missed, but never forgotten! He will be remembered forever in our hearts. The old neighborhood will certainly not be the same without Mr. Ray.
