“ I had the distinct honor of knowing Mr. Brown and he was a true gentleman. He was always a caring and loving man to his wife Diane and to his daughter Pam. Always quick with a joke and kind words. The world is now less one wonderful man. My prayers are with you Mrs. Brown and Pam.

“ A young girl, always a friend to Pam then the best friend, he encouraged me and told me how wonderful I was and rooted for me at basketball games and hugged me and welcomed me into their home. At a time when I lived behind an Arco station, he treated me like I was a genuine presence at his dinner table. I will never forget that and I am eternally grateful for his love and I have raised my children remembering to be kind to children A piece of him made me the woman I today. And more importantly he made me the mother I am who was kind to her children. Thank you Sir you had no idea the impact you had on my life.

“ I never had the honor of meeting Mr. Brown, but Pam is one of my very best friends, and I'm pretty sure her caring, loving, live life to the fullest nature is a reflection of her dad. Well done, Mr. Brown. I sure wish I had gotten to hang out with you. Rest in Peace, Sir.

I have only happy memories of Dick. I have always smiled when I thought of him. He was my "uncle-in-law" and a very good friend when I was a young teacher at the same elementary school where he taught. We had great times there. He taught math and I will never forget when he had his 5th and 6th grade classes bring in the tabs from soda cans which he hung from ropes in the classroom---goal was a million tabs.... to teach the students what a "million" looked like. Tabs all over!! Dick always made me feel liked and valued. Happy travels, Dick.

Mr. Brown was my 6th grade teacher at Columbus School. He was my favorite teacher (and I always thought I was his favorite student that year) and it was a new experience for me to have a male teacher. He made the year fun. And years later, he taught my son and daughter (I think that was 4th grade). He often talked about his wife and daughter and always made us laugh. My sympathies to you both.

Mr. Brown was my sixth grade teacher in his first year at Columbus Elementary school and our basketball coach in the old Y building. He was a great teacher and someone who became a good friend, always loved seeing him in the Acme store and visiting with him. I will miss him, my deepest sympathy to you all. A great man has passed.
