“ *Richie you will be greatly missed, you were a good dad and grandfather. So many memories have flashed back to me of when we were kids growing up, like when you had mumps and looked like a little chipmunk to when you and Ben used to chase me with bugs and the time at the campground you chased me with a snake (it was dead) and I almost passed out!! CRAZY BOYS!! And when you and Ben used to make fun of my baking but always used to sneak and eat my Christmas cookies before it was Christmas!! Rest in Peace my brother you fought that fight against Cancer way too long!!*

Love your sister,

Janie
