“ Daughter of Denise, Allen was like a father figure to me as I didn't have one growing up. He always knew how to make us smile, not to mention pup Sheeba. Until we all meet again 💙💜

*If I would have known you wouldn't be here anymore I would have made the moments last a little longer
Now I'm alone and you're just a memory in my mind I would have given anything to say goodbye.
I love ❤️ you*

“ I didn't know Rich he was Allen to me. I have known Allen for 18 years. We dated for 2 years and decided we should just be friends

We had some wonderful times together, we went on weekend trips, my favorite was Bush kill falls. Picking blueberries in the woods, he knew all the places to get goodies.

*My heart is broken, I lost my best friend, I never got to say goodbye.
Rest in peace Allen you will always be in my heart ❤️❤️*

“ *Rich was a pleasure to be around. Always there to lend a hand if you needed one. He shared with us, so many beautiful pictures of nature which gave him much joy! He would take long walks in the local wooded areas and take photographs. Our condolences to his family. He will be missed so much.
