“ *I have fond memories of your DAD camping with the 1492er's ! He was fun and I will always remember him as the human surf board, and teaching me how to ride a wave.
To this day whenever I go to the beach the memory makes me smile.*

“ *So many memories rush in, the one that stands out is Uncle Rich in the basement and the smell of Hoppies 9 wafting in the air. He would clean his guns and reload shells and everything was right in the world I could sit there for hours watching him do so and explaining everything to me as he went along. You will be missed love you Uncle Rich.*

“ Some of my favorite childhood memories are of spending time with Aunt Gert and Uncle Rich (and cousins Pam and Mark) in the "country". I remember the times that Uncle Rich would hitch up Hank to the buggy and we would ride up and down Jacksonville-Smithville Rd over the wooden bridge. I remember Uncle Rich on Pam's mini-bike chasing down Hank after I fell off him and he ran away,
I'll always remember Uncle Rich fondly and with love.

“ *What beautiful memories and side splitting laughter he gave us all. His kindness and soft spoken words will never be forgotten. He was one of the good guys and I will miss my Uncle Rich. I love him dearly.*
