“ *I was very sorry to hear of Rich's passing. We had worked together at AveryDennison. He was a great guy and I always enjoyed talking to him about our families and hearing his many stories of his Military Service, growing up in the East Coast.*

*Sincerely;*

“ *Dear Family  
I worked with Rich for 3 years while at tesa tape in Middletown NY and although at times we may have seen things differently he was always a man of honor and added a bit of spice to my time with him. My thoughts and prayers are for him and for you and your family. My deepest sympathies

“ *Dear Sidaras family:*

*I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.*
