“ For decades, we were looking for our long lost relatives from United States and finally we found Hein's family from New Jersey in May 2012. Rita was a key person for us to be able to solve this mystery of our lost relatives.

*In Fall 2012 we had the pleasure to visit Rita and Bob in Wagon Wheel, in New Jersey. Our visit to their home was a dream come true for us. We felt welcome from the first minute and everyone was so kind to us. This is something that we will remember for ever.*

*After our visit, we kept contact to Rita and Bob via e-mails for almost daily basis.*

*During the Spring 2014 we did not received many e-mails from Rita and we started to wonder if something has happened to her.*

*The sad news of Rita's passing in July 2014 was a huge shock for everyone of us here in Finland.*

*We will cherish our memories of Rita - she will live in our hearts for ever.*

*Annu and Pekka from Finland*
