“ Bob you were my brother in law for 38 years since I was 18 years old. Words can't express how much I will miss you. We've had some great times over the years, Me, you and Dawn. Raised our kids together, vacationed together and so much more. I'm still in shock that I won't see you anymore especially to see you with Adam who I know you loved more than anything. I promise to watch over him, Lindsey and Andrew and for the new grand baby who would have loved you so much. My heart is broken but I take some comfort to know you will be with my sister now watching all of us
I will always love you, your sister in law Renee ❤️
