“ *To the Emmons families,*

When I saw the subject line on Eileen's message tonight, I knew it wasn't going to be good. I am sorry Bobby has passed so young. Growing up with the wonderful Emmons family around the corner, graduating with Ruthie, dating Pete, and working with Bob at CSC (where he met Dorie) until shortly after he received his master's degree, was a very happy period of my life. I loved Bob's enthusiasm for any project he tackled and how he made everyone around him feel. His warm smile, and cute jokes started many a stressful day in a pleasant manner. My prayers and condolences to all of you at this time. May Our Lord enfold all of you in the palm of His hands.

“ *My deepest sympathy to the Emmons Family. I worked with Bobby while employed with RMS many years ago. He was the funniest, most fun loving guy ever. Loved his stories about his family and children. Will remember my occasional Fridays with his group at Mickeys and Minnies!!! Pool anyone? God Bless.*

“ Dorrie, Brett (TM) and Dustin,

There are not enough great words to express the impact Bobby has made on the lives of so many, especially me. We worked together side by side for 17 years and even before I met all of you, I felt like I knew you all well. Nothing was more important to him than the three of you, and all the puppies too! When he would talk about you, his face just lit up.

We have the greatest team here at the Technical Center and he was the biggest reason for that. He always managed to see the bright side of everything and help each one of us in our times of need. He was very dedicated to his work. He would always say, "We can do it!" No matter how challenging it might be. He was one of the most giving, caring, most genuine person I've known.

It has been an honor and privilidge to know him and call him my friend. I will miss him more than words can say. Know that I am always here for all of you.

*Sending you all prayers and strength during this most difficult time.

“ Dear Dorrie, Brett and Dustin,
How can I begin to tell you how much he meant to us. His smile lit up the room anytime we were in his company. He was always a very happy person and always treated everyone like they were special. Whenever girls club got together he always greeted everyone with a big hug and really wanted to know how we were all doing.
He was a wonderful husband and father and man, as you all know that!! He left a great impression on our daughters, as they have told me. We are so deeply saddened by his passing. We will miss him dearly but know that he is in heaven and at peace now. We share in your sorrow deeply and just know that we will always be here for you.
God Bless You,
Love always, Bev and Mike

“ Dorrie, Brett & Dustin, there are very few people in the world who live life with a smile and genuine good nature about them. These people always look at life as a "half-full" glass and can always put a smile on your own face regardless of circumstances. While the girls in "club" met every few weeks it was always too long a period between get togethers with the guys. I always told Lynn "Hey, I get to see Bob today". I wish I could have spent more time with him. I will miss him!! God Bless!

“ Bobby hired me in 1993 when he was with RMS. He was a great supervisor and a wonderful colleague. I would often go to his office where he would share stories about the Phillies and Eagles. He always had a smile. Each year, on my birthday, he would call me and wish me Happy Birthday even after we went our separate ways and he started to work for the FAA. He will surely be missed. “ I went to Sacred Heart School and had a crush on Bobby, and fortunately for me, he liked me too. One time during the school year he was very sick and I cried and finally convinced my mother to call his mother; he had pneumonia. We always remember our first love and our first kiss, and that was Bobby. I'm just glad to be able to say that he was part of my childhood and I shall always remember him. To the entire Emmons Family, I care and share in your sorrow. Love and prayers, Linda

“ I was saddened to read of the loss of your loved one. I personally experienced the grief of losing my loved ones. However, there is comfort to know the Holy Scriptures gives the assurance that God will end death, pain and sorrow. Rev 21:4

“ I knew Bob from the FAA where I worked in the same group with him back in the 80's and 90's, and then in the same building since. Bob was always the friendliest, most cheerful guy in the building, giving me a big "Hey Jimmy!" asking how I was, and ready with a witty remark. I'm sorry I never told him how he brightened my day each time I talked to him. And I will miss his wonderful, easy going personality.

“ Mr. Emmons will be greatly missed and It was a pleasure to have known him. One of my fondest memories was him watching me at WaWa, opening the car door for my wife (I had no idea he was watching from a distance); he later came to me and said that he admired me for opening the car door for my wife. He said he has been opening the car door for his wife for 33yrs and I better keep it up! Every time I open the car door for my wife, I will always remember Mr. Emmons.

The Emmons family (Brett), my prayers are and thoughts are with you all during this difficult time.

“ To the Emmon's family our deepest condolences go out to all of you. He is and always will be one of the finest men our family has ever known. He had a smile that lit up a room, the personality of a true gentleman and a laugh that will never be forgotten. He touched many hearts and will forever continue to show true character as to how great someone can really be. To my own personal memory I will forever have love for the mega lollipops he would present to me when I had the pleasure of seeing him. As we all should know it's the little things in life that bring us the greatest joy but those particular people that touch our hearts forever. May God grant you eternal rest. xoxo Love Always - The Scaramuzzi Family

“ Bobby was the perfect brother. He was a wonderful role model, who not only protected his younger siblings, but also taught us to laugh and play together. He was so generous with his love to all of us and was a godfather to many. He fought valiantly to live for his beautiful wife and sons, and looked forward to being a Grandfather. Family meant everything to him. I know his father is happy to welcome another Phillies fan to heaven. Bobby, you were the best of us all. Your dimples and especially you laugh will stay with me always. I love you.
