“ *Dear Barbara and family,
We were so sorry to hear of Bob's passing but we also realize it is a home going for him; he is now with his Savior. I really appreciated the message and tribute by Rev. Dr. Jost at the Funeral mass this morning. Bob was a true servant of God who lived out his faith. I'm sure he will be truly missed by not only his family, but also his church family. We pray that all who grieve his loss will be strengthened and comforted in knowing, as believers, someday we will be together again with him. Love, Bill and Vera Brown*

“ *Dear Langer family:*

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
