“ I met Bob in 2011 when I started my journey at New Penn, I departed in 2016 and later moved to SAIA in 2019. I was right back with Bob and felt like I was home again. The stories we shared about our Grandbabies. He loved his family more than anything. I am so sorry for the Loss of a great man. he will always be remembered and the impact he left on everyone he worked with will never be forgotten.

“ Bob was a bigger than life person. When USF Holland closed its doors in Philly I showed up for an interview with Bob over dressed in a suit. He immediately hired me into the New Penn Family. He left New Penn in 2017 to start the Eastern Division of Saia. I was pained by the move and "quickly departed New Penn" to follow Bob in building the North East of Saia. Now full circle in Trenton where Bob started me with New Penn. I am proudly opening the Trenton Terminal for Saia. When my son, now 40 needed a job desperately in 2012 all it took was a call to Bob to have him start work for New Penn the next day. Those of us close to Bob knew his drive for excellence and his dedication not only to his position but to "him people"! I know I am one of "many" of Bob's people and I have been Proud to be one!! I loved this Man and wconsidered him my " Godfather". I will be among a vast group of "his people " who will be mourning him for a long g time but will push to keep his legacy moving forward! I Loved Him!

“ I worked with Bob Newton at New Penn Motor Express for years until my departure in 2012. He was very personable. He would share so many precious stories about his wife and sons. He loved to gamble , which we had that in common . He adored his family, he was a devoted husband and father. He was the best boss. My deepest condolences to the Newton family and his loved ones 🙏

“ Bob was my division manager from around 2003 until I retired in 2016. He was what we all wanted in a manager. He trusted us to do the job the right way and let us do what we did best. We certainly did clash between the Buckeyes and the Nittany Lions. After I retired, we always got into it during every OSU-PSU game or any time I would go past Columbus! Bob will be missed by many. Peace be with his family and friends. John Ruhl

“ I’m going to miss Bob.
I had the honor of working with him for the past 7 plus years. Our offices were very close to each other. The highlight of my day was going in and checking in with him early in the morning. He was the first one in every day. He was an extremely hard worker and well respected.
What I’m going remember most about him was his kindness and empathy to those that were struggling or going through a difficult time.
We have lost a good man.
