“ *I would like to send my deepest sympathies to the entire Pennock family. Bob was a true gentleman and a genuine generous individual. It was my privilege to know him as a friend and as an employee at Ft Dix. I can recall the same look he is displaying in this photo and it immediately takes me back to when I would ask him if he could get a project done in a short time frame. That self assured, can do attitude I always could depend on, which always made my job much easier. God Bless you Bob and your family.
