“ *Dear Ptaszenski family:*

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ It was an honor and privilege to know Bob. You only had to be in his company once and from that time forward he treated you as a life long friend. On behalf of a grateful community Bob is to be commended for his 20 plus years of dedicated and loyal service to the Burlington Township Planning. He was the Chairman of the Planning Board for eleven years. Karen & I would like to express our sincere sympathies to Joyce and her family during this time of sorrow.
