“ *Of all my sister Sharon's boyfriends, Bobby was my favorite. I remember vividly his giving me a dark blue plaid dress with a little white collar for my 8th birthday. It matched his spiffy Naval uniform.*

And I also remember our happiness in the birth of Theresa his daughter when I was a few years older. He loved his girls, Theresa and Melanie as a young man with high hopes -- He wanted the best for them. Christmas was a dream come true for them -- although Im sure Sherry had something to do with that celebration too.

Bobby, Thank You for what you gave as a very young man to me and to Melanie and Theresa. Love from, Hennie (aka The Rev Dr. Henrietta Brandt Lavengood)

Bobby, May God take you in "His arms", give you peace, forgiveness, and rest; and grant You Eternal Life in Love
