“ Dear Scelza family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ *If ever there was someone with a positive and humorous out look on life, it was Bob. Now matter how bad of a day he had or how lousy he felt, you could count on Bob to give you a smile and a comic view on life. I first knew of him as a life long member of our community. He became a regular at our market, and I came to know him and I saw what a great family man he was. As time went on I became friends with his three sons and their families. Great American families that shared the love and values of God and Country, that they learned from their Dad. Renee and I are saddened by Bobs passing. Our combined thoughts and prayers go out to all members of Bobs family. Thank You for allowing us to have had the pleasure in sharing time with Bob and his family.*
