“ Have you seen any shows if so, which? I have directed them all! What did you think? I think that I am one of the most fortunate people alive! I looked at the talent on that Memorial hall stage during Buddy' and it brought a tear to my eye. Not only are you all fantastically talented, but you are such a nice group of people. The support, encouragement and strength you give to each other and me creates the magic that has become Pukka. I'm not worthy to work with you guys it's a shame I refuse to go anywhere!! Any other comments? You are all and always will be my very special friends'.
