“ *How many yrs later has it been. In our younger years and thru hs we were the best of friends . I moved to fla After marriage. When glenn, a good friend too had a short time to live they took a long vacation together. Visited us, bill and i,. in margate, fla. We took them out to dinner. A sad time. I loved them both. Bert went on in time to find happiness a second time I met ed at reunions at rcvrhs I was in" live in " therapy with cracked pelvis, when i heard of Berts passing. I could not go up and it was a sad time for me. And then, realizing our life after death was a good thing i was happy for her and reunion with glenn. Both glenn and bert were special people. Resting in peace i know. Ruth in fla.*

“ To the Lindabury and Sapp families. My father Dick Cornelius and my mother Shirley Cornelius were extremely close for a very very long time and I am so sorry to hear of my "Aunt Roberta's" passing. I remember some of the times we had when our families got together and believe it or not I still remember the house you lived in!! When my grandmother passed two years ago many of my parents friends were there and had were able to share some memories of those days. My thoughts and prayers are with your family.
