“ I can't believe your gone. Saying good bye is the hardest thing anyone can go through. I wish the world could have seen how great of a person you were and are. You lived and protected. I'll love you always and miss you always now. Take care of us and watch over us. Especially your Mommy, I know you loved her so much.

*Nothing but great memories and great words.
I'll never forget you and the good things you've done.*

*Always,

“ *My heart breaks, my daughter's heart is broken. You protected her when she was out and about and was a friend to her like no other. She's blessed to have known you for no other reason than you had a great soul and a big heart.
I'm glad you lived down the street, like bookends.
Rest now, I got this knowing that you'll do what you can from your end.*

To Lora and the rest of your family, my heart goes out to you. If there's anything we can do, let us know.
