“ *Tonite I have just learned of the passing of Bob. I am deeply saddened by his passing for his family and the community as well. I will always remember his smiling face at the numerous events that I saw him at. It didn't matter if it was the Easter egg hunt, the rec soccer program, flag football or any of the other events he was running or assisting at, he always made me feel welcome. Although I did not have the pleasure of knowing Bob on a personal level, I always admired his dedication and zest for the community. May god grant home eternal life in his kingdom and peace to his family. My sincerest condolences###imported-begin###John Funda###imported-end###*

“ So sorry for your loss Morton Family. Your Dad was an amazing man. His volunteerism was a tribute to his dedication to Lumberton. I may not have always agreed with on certain things in BOE but he always did what he thought was best and always tried to be fair. He supported my son in scouts as well as his rec soccer days and without his dedication to soccer in Lumberton we would not have what we have today! Thanks Bob and our community has lost a great man but we have gained an angel in our community. God Bless.##imported-begin##Kim and Don Marinelli-Puglisi and Family##imported-end##
