“ God looked around His garden
And found an empty place.
He then looked down upon the Earth.
And saw your beautiful face.
He put His arms around you
And lifted you to rest.
God’s garden must be beautiful,
He always takes the best.
It broke our hearts to lose you
But you didn’t go alone.
For part of us went with
The day God called you home.

“ Robin was always so friendly when he came to our office. He couldn't wait to show off the latest pictures of his kids, whether on a cruise or while visiting in Alaska. He had a really great love of life and was always excited about the latest thing he was undertaking, either remodeling his kitchen (that was amazing) or having me try some of his tuna steak jerky. He attacked life with a vengeance. He will be greatly missed.
