“ *God saw you getting tired and a cure was not to be. So He put His arms around you and whispered “come to me.” With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, He only takes the best.##imported-begin##richard duvall##imported-end##*

“ My heartfelt condolences go out to Rocquel's family & friends. I got to know her when I worked at Honda during the late 80's and long after I moved on thought of her as a friend. I was just a few weeks ago viewing some old photos and found one with Rocquel dirt riding with us on a weekend outing. She will be dearly missed.##imported-begin##Peter Marcin##imported-end##
