“ Uncle Roger had a laugh that was completely contagious, and had a way to make any activity more fun. Most of my favorite memories took place in the Bodine backyard. We were recently reminiscing about the time he taught all of us kids how to drive Aunt Terry's moped in the backyard. As a young teen who wasn't driving yet, I can't tell you how cool that was to me. We also were just talking about the time we were over during a snowstorm and Uncle Roger drove us around the farm field, pulling our sleds with his truck. Uncle Roger was definitely that special fun uncle that lived to make you smile and giggle.

Sorry to see Roger had passed. We met in high school, RVRHS where we became friends. Roger always like cars. He was mechanical inclined. Always upbeat. A great person. Mt.Holly's best. We will all miss him. Brian. June 30, 2023.
