“ *Dear Tedda and family of Roger,*

I join Roger's many many friends in sharing your and our feelings of loss of our dear friend Roger.

Roger, a lifetime Scouter, made his life a living example of the Boy Scout Oath and Law.

Whether we knew him a life time or met him once, we have all been fortunate to be blessed by his presence in our lives.

Sincerely, Clyde Zarkos

“ Dear family of Roger Lippincott:

I am sorry to hear that you lost your dear husband and father. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. We have a great hope for the future because God promises to bring those we lost to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief Bible message will bring you a measure of comfort in this difficult time.

“ Roger and I have been friends for close to 30 years. Roger came to work at the Burlington County Fire Academy as my Asst. Chief. We really worked together well and with Roger's help and great expertise in all thing mechanical, we elevated that institution to being recognized nationally for training expertise and practical application. Roger was the kind of guy who freely gave of himself to maintain and to improve on both the curriculum and the facilities without need for any special attention to himself. Personally, Roger was a great help to me as a great and caring friend. We shared many good times together, travelled together to conferences, and with a host of other adventures. Roger would do anything to help me, or anyone in need of himself. Roger went on after the Fire Academy to other fields in Emergency Response, including becoming Springfield Twp.'s Emergency Management Coordinator. His dedication is unsurpassable. My prayers to his wife, Tedda, and to his sons Brian and Scott. Roger will always be with me always, and I pray that he now rests in God's promised life everlasting.
