“ I know this is very late but I just seen Roger here and did not know he had passed. I grew up in Mt. Holly just like Roger, went to the same schools and became good friends with him. Many party's later, driving to the shore just being friends. He loved animal's, had a horse of all thing's, a bird that had a bad mouth saying some F words,cats, dogs. He lived in Wrightstown for a while and would stop by to see him when my wife and I were in the area. He was always so nice. He seemed to have some rough times but never showed it to anybody. I would go to the framers market and see him on Sunday's but you were not at the fish counter for some time now. I am so sorry Roger that I did not come to your viewing but I had no clue you passed. I new Roger pretty will and he is most likely saying it's ok, I'll see you later. Rest my friend. You will be missed.

“ *I will always hold Roger close to my heart! He was such a fun person to be around.. he was there for me all the time.. if someone was feeling down, he would try his best to make them feel happy.. he was always positive and full of life! We would always go out to eat at our favorite places and go to the Mall together! And he was also awesome at cooking! I enjoyed all of the time we had spent together and will truly miss it!! I will always miss you and will always love you, Roger!!*

“ *Ohhhh, Roger was my best friend on Homestead Ave in the '60s. I can remember laying in the dirt under the shrubs of his front yard playing with our Hot Wheels and GI Joes. We were going to "join the Army, get Ford trucks and raise German Shepherds" once we "grew up". Mrs. Shaw would invite me over for wonderful spaghetti dinners and was the only person to call me "Johnny". Fond memories of the Shaw family... Later, I would stop by Columbus Market and catch up with Roger on occasion. Internet password hints would ask for "name of childhood friend"; mine always "Roger". Hugs to the entire Shaw family.
Miss you Roger!*
