“ *Judy I am so sorry to hear of Ron's passing. He was a great neighbor and a good friend to Mike and to all who knew him. I remember one day I was out walking my grandkids and we stopped so that my grandson could look at your fish pond. He started crying because he wanted to feed the fish and Ron came out with fish food picked up my grandson and helped him feed the fish and my grandson said thanks mister this is great and Ron laughed and said glad I could help. May he rest in peace.*
