“ I remember Russ as emt babysitting Michael. He had no one to watch baby . They really needed Russ to drive ambulance. Strapped Mike in seat and away they went. That was the kind of dedicated man he was. The night before our wedding. His bachelor party was watching out at a drug warehouse. He was there all night and got married next day. I really miss you my Teddy Bear. Love your Babe

“ *My sweet husband of over 37 yrs. So many times I trusted your judgment on things. Now I turn to you and realize you can only be with me in memories and spirit. I hope and pray for you to guide me along the way . Maybe by things you have said or done. I do want you to know I love you and already feel your loss deeply. You wouldn't want me to cry but many times already once the shock of me not being there and realizing you were gone already. I wish I knew you were suffering or feeling pain. You were a good man. You were supposed to retire and have fun. I can't believe it every minute you will not come through the door. Rip my sweet Teddy Bear. I love you.*

Russ was a kind man. He never said a negative word about anyone. Many memories of Russ driving the ambulance on EMS calls, he was a dedicated volunteer member of WTFD & EU. Russ was also our Dept. Santa Claus, a wonderful Santa to the member's children. He owned his own Santa suit! We will miss him. Our thoughts and prayers are with Doris, Michael, and family. With love, Linda and Harry Dorshaw
