“ *I was so sad to learn of Russell's passing. I have such fond memories of Russell from my childhood when our families did any things together. We used to live next door to each other in Mt. Holly and spent lots of time together. My Dad and Russell had some fun times together and my Dad told many stories about it. We still kept touch even when we moved. We used to visit and have family dinners together. I know you will miss your Dad very much but, you have so many wonderful memories to cherish try and hold on to them and think of all of the memories when you are missing him. He will be with you always and forever. Love, Sharon (Easterling) Tyszka*

“ *Russell, I was so sad to learn of your passing. The fun times we had laughing with mom. I will always remember you and you have a special place in my heart. I am so sorry due to a health issue I am unable to attend to say goodbye to you. But know I am sending a kiss to you and god speed so you can rest. Which we all know you will find some thing to do where you are going and will be looking over us all*

“ I was saddened to read of the loss of your loved one. I personally experienced the grief of losing my loved ones. However, there is comfort to know the Holy Scriptures gives the assurance that God will end death, pain and sorrow. Rev 21:4
I hope this brief Bible message brings comfort to you and your family.
