“ *You can shed tears that she is gone
Or you can smile because she has lived.
You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left.
Your heart can be empty because you can't see her
Or you can be full of the love that you shared
You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday
You can remember her and only that she is gone
Or you can cherish her memory and let it live on
You can cry and close your mind, be empty and turn your back
Or you can do what she would want; smile, open your eyes, love
and go on.*

Judy, Beth & Susan, thank you for sharing your mom with me.

“ *What memories from 41 years of working with her at Greenwood Hills! Your mother was one of many extremely faithful and valuable staff members, and her contribution to the lives of the girls she influenced is only known by the Lord, and will be rewarded by Him. So wonderful that she is in His presence now. Her archery instruction demanded topnotch perfection, and was wonderful. And her leading the kazoo band was so much fun! Morning staff devotions - what a memory!
Praying for your whole family. May His peace and love comfort and strengthen you.
In His love, David & Ruth Stiefler*
