“ To Ruth's family, I am so sorry for your loss. I will always remember Ruth for being such a wonderful and caring woman. I worked with Ruth at the daycare and she was always so nice to me. “ To my Aunt Sissy <3

Most of my memories of you are from my childhood. I can still remember them like they were yesterday though. Taking long rides with you, Uncle Garfield & Tyeesha. In his brown truck with the cab. Taking us to columbus sale for Kate & Als' :) You always reminded me of Grandmom. With your long beautiful hair & spunky personality. I can remember long summer nights sitting on your front porch talking for hours! One of the things I've always loved about you is that you always spoke your mind. You were so honest & up front! About a year ago you took the time to have a heart to heart with me that I will never forget. It meant the world to me to hear it from you. It will be a conversation that will always be between us and I will cherish forever. I love you Aunt Sis. Please look over us & bless this family <3 I will always keep the things that were "our thing" going. I'll watch all the Tyler Perry movies for us because thats what we did together! We loved to watch our movies & crack up after. Apples will still always remind me of you as I look around my kitchen. Even though your not physically here, your memory will always be alive in my heart. Rest in peace my sweet Aunt. Until we see eachother again.....xoxoxoxoxoxo

“ *In loving memory of my sister...Sissy
Looking down on us .. No pain.. Only love!! We're sad, Our hearts
broken, from watching you suffer. Look over us as we try to heal
and piece our lives back together without you! Our one true
gift....knowing that you are at peace now. My Sister..gone. I will miss
you always...My Sister<3*

Sleep My Sister

© T. Hutchinson

*I wish you sweet sleep, my sister dear.
Although there's so much that you've left bare
I hate that you had to endure such pain
On my mind, your saddened eyes have left a stain.*

*I want to know what crossed your mind
Unspoken words you've left behind
Undone things we'll never do
No sharing thoughts you never knew.*

*A peace has fallen upon your head
A taste of sorrow we have been fed
It really is like a hole in our lives
One swiftly dug but carved out by knives.*

*But I have hope that those sleeping will rise
The Bible says that God will open their eyes.
No suffering, sickness, yes not even pain,
Those who did good, eternal life they'll gain.*

*So... sleep on my sister, sleep tight
For now with you the sky is night.
But after night will come daybreak
Therefore I will wait hoping to see you awake.*
