“ *To Ed and Family,*

I was looking for a name in my address book today, and came upon your address. I decided to Google & see if you & Ruth still lived in Mount Holly. I was saddened to see her obituary pop up. (This is Joy Snook, & Ray's my husband) We were slip neighbors at Bayview Marina in Waretown. Since we lived close, Ruth invited me to your home in Mount Holly and taught me my most passionate hobby that I still love to do to this day, Crosstitching. She was so very patient and kind with teaching me. She was such a wonderful lady. Our hearts are saddened for your familie's loss of Ruth, but we also rejoice, knowing, we'll all be reuninted with her again someday in Glory.

God Bless.

Love & Prayers,

“ *Ruth was always so kind to me and treated me like family when I went home with Lisa in our early college years. She always had a home-cooked meal waiting for us. She was a kind, godly woman who will be missed.*

“ *I became a Christian getting my New Life badge in Pioneer Girls, Ruth's initials are in my log book. She was the Christian mother I didn't have. Through BYF, Teen Discovery Rallies and roller skating and musicals she was a shining example of a godly woman. I am a better person because your whole family was a part of my life. I share in your grief, and rejoice with you that she loved God, and is now in heaven healed, and made whole.
My deepest condolences

Laura and family....what a heritage! Knowing that one more may be in Heaven because your mom took the time to invest in "Linda Tice Sholly"'s spiritual walk with Christ! When I met your mom-I knew she was very sick, but at Drew and Courtney's shower-I don't think she knew! Her heart and eyes were on everyone that she loved. I was so honored to be in her presence. She communicated to me that she wanted a glass of water for her granddaughter, and I wanted nothing more. A soul that knew Christ so well, she emulated Him with every breathe she took. Laura-you're such a special friend to me because of your mother's love. Susan
