I packed for Sadie and Clarence in 1976. They were both truly the nicest people I ever knew. It was my very first job, and they were so kind to all of us. My prayers go out to the family. God bless you all.

“ *The first job I ever had was working for Mr. & Mrs. Grovatt. It was a challenge that made a major impact on my life. I learned that making a commitment, even as a twelve-year-old, needed to be honored. It was hot and the days could be long but I became a better person for it.*

Mr. & Mrs. Grovatt were Godly, hard-working people and I appreciate their willingness to allow me to work for them over the course of five summers.

I believe Mrs. Grovatt is comforted and at peace with her Savior. It is my hope and prayers that God will be with Mr. Grovatt and the rest of the family in this time of loss.

Respectfully and with fond memories, Steve Carlson

“ *I read the obituary about the loss of your loved one and I extend my sincere condolences. Death is truly an enemy but there is comfort in the Holy Scriptures that “God will actually swallow up death forever and certainly wipe the tears from all faces.” Isaiah 25:8? Hold onto the beautiful memories of Sadie and find comfort from loving family and friends.*

“ Clarence & Sadie... I knew them both, as I know the family, and then started to clean for them. What fun it was to get there in the morning and chat before I even went in to start working. Such fun stories of their Tabernacle life "back then" and mine at that time... it was a joy to work for them, and to be friends with them as well. Life changed for me and I stopped cleaning but I drove by everyday. I would look long and hard on the way by to make sure things were still the same. I know that Sadie was in Virtua and that Clarence is at home, so I always looked to make sure he was out and about in the yard! I can honestly say I prayed regularly for them both because I wanted them to be ok since I wasn't seeing them to clean! What a lovely couple; strong in their relationship and strong in their love of the Lord! What a blessing that we will all be together again in Heaven one day! God Bless you Sadie, Clarence and your lovely family! Carole Yates Herndon

“ My MomMom - there are so many memories that I have of this special lady.

I remember always looking forward to spending a week at her house in the summers.

I remember my room at her house - the teddy bears on the bed - the white bed spread - and her tucking me in at night.

I remember how good her grilled cheese sandwiches were and how my love of lebanon bologna comes from her.

I remember puffed rice for breakfast with spoonfuls of sugar.

I remember poptarts cut up in tiny squares - that's how I cut them for my boys now.

I remember the toy closet and playing with all of the treasures.

I remember fishing in her bird bath with a twig.

I remember naming their new dog Jenny after our favorite All My Children character.

I remember picnics down back and her perfectly cut skinny carrot sticks.

I remember staying with her when I was a little girl and getting my daily snack of a mini snickers bar cut up in tiny pieces, a paper cup full of goldfish and a TAB. :)

I remember rides in her Taurus listening to cassette tapes.

I remember running errands with her to the Burlington Center.

I remember driving to Willingboro with her, visiting grandmom's grave and then stopping at McDonald's for a diet coke or if they were available...a coke float in a souvenir glass. I remember all of the wonderful Cabbage Patch dolls I would look forward to for my birthday or Christmas.

I remember when she was not impressed with my hair do for prom! She laughed and said..."if that is how you like it..".

I remember stopping at her house on my wedding day before going to the church - she told me I was beautiful and she was proud of me.

I remember taking my first born son to her - she oohed and ahed over him and said - "isn't it fun - having a new baby? - it is like opening a present every day." I will never forget that because she was right! And when my second son came along, those words rang

in my ears.

I remember taking the boys to see her in the nursing home. She always loved seeing them and they would always be sure to give her a kiss before they left. She remembered what they were involved in, their favorite sports, and told them what good boys they were - right until the end.

I am so thankful to have had MomMom in my life for 35 years. I am so blessed that she was a part of my children's lives for 7 and 9 years.

I am so so grateful to God that I will see her again one day in heaven.

Until we meet again, MomMom. I love you.

“ *I will always remember being invited by Aunt Sadie to spend at least a week in the summer with them in Seaside Heights. She always knew that I would never be able to spend time at the shore otherwise. She also invited me to spend a week, sometimes more with their family in Beverly. It was always such a treat for me to spend time with her and the family. She was always so good to me. She will be missed.*

Condolences to her family.

*I remember her helping me get ready for my wedding. Planning a beautiful wedding in Mt Holly with her two daughters Bev and Jan, and Ben and Pat planning and helping me to enjoy becoming a Grovatt. I an very honored to have had Sadie as my best friend not just a mother in law. I visited her 2-3 times a week at the center and always looked forward to the time spent with her. I have many friends at Mt Holly Center, thanks to her! She will be missed, but I know she is in heaven chatting with my grand-ma I called Mommer! That comforts me!!
