“ I always loved hearing my Dad share stories of Uncle Sammy as a boy and the mischief my Dad & his brother got into. Like the time my Dad shot arrows while Uncle Sammy ran between trees. Not the best decision but sure is a great story to hear about years later. My favorite memory of Uncle Sammy is when I got to visit him and Aunt Judie at the beach and stay on their boat. We ate delicious food and they were so kind & generous to me. Uncle Sammy is a man of few words but I could always see his deep love for his family and community. He always had the coolest cars too! He made a big difference in the lives of many people. His legacy continues in the businesses he built and the people he loved. We will miss you, Uncle Sammy. Sending my sincerest condolences and love to Aunt Judie and the entire Alloway family.

“*Judie, Jen, and Brian. Sam was one of the nicest men I ever knew. First as my boss and later as a very smart and helpful business confidante. I spent along time working there over the years and wouldn't have changed any of it. Julie and Sam were guests at my wedding and were always a part of my families adventures. I am completely saddened by this loss. He will forever be a beautiful memory in our hearts. Andy Harper*
