Even though Sam was not my biological grandfather, he always treated me like I was since I was 17 years old. Sam was a very funny and kind, gentle and loving grandparent and will be missed by so many including myself. I have peace knowing he is now reunited with his 1st true love Martha and I know he was greeted by my dearest grandpop James given. Until we meet again you will be dearly missed and def cherished

“ *What to say about my father-in-law Sam.*

*He was a sweet caring man, who loved his family and always someone who wanted to make others laugh. One of the many memories I would like to share, was one of the many times we all met at their favorite Garden State Diner for dinner. Martha, Sam, Phillip, myself and my parents all met for dinner and all of a sudden, with no warning, Sam jumped up from his seat and started hooping around, which he tried to make like he was dancing...we all had a good laugh about it only to find out after his routine, he had a charlie horse in the back of his leg.*

*That was him the jokester.*

*He will be truly missed by his family and friends but most of all he has been reunited with his wife Martha and they are together again.*

*So sorry to his family for their loss...*
