“ Sandy, You were my summertime BFF. We helped, shopped, laughed, ate, drink, comforted and talked with each other. We had so many good times in our little beach houses. We got to know each other's families and looked to their visits. You are so sweet that you must have gotten your wings in the second you arrived in Heaven. I will miss you but continue finding comfort in all our good memories.  
Love, Carol

“ Sandy, You were a wonderful and kind neighbor. We miss you and the chats we shared in the garage especially when the weather was nice. Your family was very attentive and caring throughout your life. They are a beautiful witness to love in a family. God bless them. May your spirit be present with them, and may you know how much you were appreciated by your neighbors. We will gather for lunch in your memory. Thank you for the memories you have left us. Rest in Peace dear friend!

Love you, Joan, Phyllis, Carol S., Linda, Paul and Nancy
