“ *Sandy, my sweet Cousin. Family brought us together, my dad, your mom, brother and sister. We continued with love, friendship and your beautiful soul always upbeat and caring. We have had many long distance phone calls over the years. I'm not sure who out talked who but I know I sure am going to miss you and those conversations.
My concern is, Heaven help Heaven with all those Shafers up there.
Rest In peace my dear Sandy. Love and prayers for you, Howard, Michael, Joycee and all of our family.
