“ *Dear Goshey family:*

Your family is in my thoughts and prayers during this difficult time. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. We have a great hope for the future because God promises to bring those we lost to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief Bible message will bring you a measure of comfort in this difficult time.
